

## Permission to retain and share student work

I [name of student]\_\_\_\_\_ give permission to allow the course instructor of NSCAD DSGN 4101, Robert Currie, to retain and share the work I submitted as part of class, as part of future classes, presentations or teaching dossiers.

As stated in NSCAD Students Intellectual Property Rights Agreement, copyright of all work created by students remains with the student. See: <https://navigator.nscad.ca/wordpress/wp-content/uploads/2017/11/StudentsIntellectualPropertyRights.pdf>

This sharing would be limited to showing student work as part of presentations or future classes, in person or online. Full credit will be given to students, unless anonymity is requested. Student work will not be adapted, developed or in any other way altered. No material or concepts created by students will be used as part of any design or plan for client work.
